

Inclusion Resources

Below are a couple resources to get you started in thinking about inclusion in your programs. This is not a comprehensive list but should be a good place to start for some programs. Our AEBC group is continuing to work to identify resources and information on inclusive programs.

Program Planning

1. Commit to Inclusion: 9 guidelines for disability inclusion
 - a. <http://committoinclusion.org/9-guidelines-for-disability-inclusion/>

Training

1. Kids Included together: inclusion training and resource materials for working with youth with disabilities.
 - a. <https://www.kit.org/>
2. Developmental Disabilities Training Series
 - a. <https://dei.extension.org/extension-resource/developmental-disabilities-training-series/>

Community Engagement

1. This checklist provides a potential structure for a project plan for community engagement with people with disabilities in particular.
 - a. <https://www.health.govt.nz/our-work/making-services-better-users/community-engagement-people-disabilities/engagement-checklist>
2. Principals of Community Engagement.
 - a. https://www.atsdr.cdc.gov/communityengagement/pce_what.html

Health & Physical Activity

1. National Center on Health Physical Activity and Disability: Multiple resources for policy and programming related to health and physical activity
 - a. <https://www.nchpad.org/>

Community Health Assessment

1. The Community Health Inclusion Index (CHII): A set of survey tools used to help communities gather information on the extent to which there are health living resources that are inclusive of all members of the community, including persons with disabilities.
 - b. <https://www.nchpad.org/1273/6358/Community~Health~Inclusion~Index>

DEI Website

1. DEI Developmental and Acquired Disabilities
 - a. <https://dei.extension.org/dei-issue-type/developmental-and-acquired-disabilities/>

4-H

2. Access Equity and Belonging for all Committee (AEBC)
 - a. <https://access-equity-belonging.extension.org/>
