Monday, November 27, 3:00 p.m.

Arriving Sunday or early Monday and have a few extra hours? If so, you could take advantage of a visit to the FamilySearch Library at 3:00 p.m. At the library, you can begin to uncover more about your family heritage. The library is only about a 10-minute walk from the Marriott. To find out more about the library, go to <https://www.familysearch.org/en/library/visit>.

Can't go on Monday, there is also an opportunity for a group visit on Thursday after the conference starting at 1:00 p.m.

Celina Willie will be arranging with the library for our group to visit.

Therefore, we need all interested NAEPSDP people to fill out the registration form.

There is no cost to visiting the library. “The Church of Jesus Christ of Latter-day Saints provides FamilySearch free of charge to everyone, regardless of tradition, culture, or religious affiliation.”

Not leaving until late Thursday or Friday morning? We have two options for you.

Thursday, November 30, 1:00-5:30 p.m.

Visit **Park City, Utah**, about a 40-minute shuttle* ride from downtown Salt Lake City. The shuttle will leave the Marriott around 1:00 p.m. and take us to a drop-off site in the historic downtown where you will be free to spend the afternoon having lunch, browsing in the many stores, visiting art galleries, curling up with a book in a cozy coffee café, and taking in the beauty of the breathtaking Wasatch Mountains. The shuttle will be at Park City to take us back to Salt Lake City around 4:30 p.m.

The cost for the round trip is \$60 and we have reserved a 14-passenger van for the round trip.

Thursday, November 30, 1:00-5:30 p.m.

Visit the **Qualtrics headquarters in Provo, Utah**, about a one-hour shuttle* ride from downtown Salt Lake City. We will arrive at HQ around 2:00 p.m. This is the chance to see inside the company that started in the home of the Smiths and that now employs approximately 5,600 people across the world. Berkeley Ward from Qualtrics will be our host. After arriving at 2:00 p.m., we will tour the building and grab a cup of coffee. We will talk to a Qualtrics team about how we use Qualtrics and then find out what the company is focusing on right now and what they see as their future. This is a great opportunity to share your opinions and ideas and to see how the private sector lives! The shuttle will return us to the Marriott, leaving Provo at approximately 4:30 p.m.

The cost for the round trip is \$60 and we have reserved a 14-passenger van for the round trip.
